COMPETITION INFORMATION

The 21st Annual Colorado High School Team Figure Skating Championships, sponsored by the Denver Figure Skating Club (DFSC), will be held Sunday, March 11, 2018 at the South Suburban Ice Arena, 6580 South Vine Street, Centennial, Colorado.

The Competition will be conducted in accordance with the rules as stated in the 2017-2018 USFS Rulebook Part Two, Rule 1021 under "Special Competitions." This announcement will take precedence if there is a conflict with the USFS Rulebook. This competition will use the 6.0 system of judging. All skaters must be registered members with USFS or ISI.

The Competition Committee reserves the right to limit the number of entries, eliminate events due to insufficient entries, and combine or divide groups as necessary.

DEADLINE FOR REGISTRATION: Entries must be submitted electronically via the link on the Denver Figure Skating Club website (www.denverfsc.org/competitions) by February 11, 2018

FEES: \$65 for the first singles event (FS or Dance) \$30 for each additional singles event (FS or Dance). Team Maneuver events are \$35/skater on a team

REFUNDS: As stated rule 3047 of current rulebook there will be no refunds of any entry fees for any reason including medical unless there is only one skater in the event you have entered and you choose to accept a refund rather than perform an exhibition.

TEST & AGE: The skater's age as of the competition start date (March 11, 2018) shall govern in all matters dealing with age. Event eligibility is based on the test status (USFS or ISI) as of the competition start date (March 11, 2018). In individual events (FS or Dance) skaters may not skate below their USFS or ISI test level but may skate one level higher. In team events skaters may skate at their current freestyle level or at ANY higher level.

SCHOOL CRITERIA: All skaters must currently attend a high school or school district either public or private or are home schooled as a student in grades 9-12. This competition is open to schools from states other than Colorado. Each team is limited to a maximum of 5 skaters and can compete with a minimum of 1 skater. A school district may also form a team from high schools within the same district up to the maximum number of skaters allowed, as well as private schools may form a team with other private schools up to the maximum number of skaters allowed. It is recommended that each team forms a team within your own school first, and within your district second. Homeschooled students may form their own team or form a team with other public or private schools. Males and females will skate on the same team.

MUSIC: Music must be submitted electronically via the link on the Denver Figure Skating Club website (www.denverfsc.org/competitions). The music deadline is February 11, 2018 at 11:59 MST. A backup CD or phone/tablet holding the music file should be readily available at the time of competition. No music will be turned in at the registration desk.

SCHEDULE: Please check the Denver Figure Skating website www.denverfsc.org after March 4, 2018 for competition information. Schedules will be emailed to the team representative as soon as the schedule is complete.

ADMISSION: Free

FACILITY: South Suburban Ice Arena (SSIA) has two indoor surfaces, 85' x 200', with rounded corners. The competition will run on the Joe DeLio Rink. A snack bar will be available and both ice surfaces have spectator seating.

LIABILITY: Skaters, parents, and coaches are encouraged to read Part Two, rule 1600 "Release of Liability" of the USFS Rule Book regarding club, facility, and USFS liability. Your signature on the entry form will indicate that you have read this section.

TEAM COMBINATION MANEUVERS:

Placements in the combination maneuver events will be as a team after all 5 elements have been skated and judged in each level. Teams may enter up to 5 skaters in this event.

No points will be awarded to an athlete who withdrawals for any reason, under any circumstances.
